Market Announcement: TRADING STATEMENT

In terms of the MERJ Listings Requirements companies are required to provide guidance to the market when they are satisfied that a reasonable degree of certainty exists that the financial results for the current reporting period will differ significantly from the results of the previous corresponding reporting period.

Accordingly, shareholders of SACOS are advised that:

1. Profit before tax ("PBT") for the interim period ended 30 June 2021 is expected to be 95% to 100% higher than the PBT for the interim period ended 30 June 2020.
2. The increase in PBT is mainly attributable to:
 - a. Better performance in terms of turnover.
 - b. Reduced expenses due to cost cutting measures.
3. Total comprehensive income after tax ("TCI") for the interim period ended 30 June 2021 is expected to be 145% to 150% lower than the TCI for the interim period ended 30 June 2020.
4. The decrease in TCI is mainly attributable to:
 - a. Foreign exchange losses on foreign investments due to the appreciation of the SCR against the US\$.
